

Louis Riel Bursary

Background:

Through endowments made by the Manitoba Métis Federation (MMF) and administered by the Louis Riel Institute (LRI), the Louis Riel Bursary is available to qualifying Métis students at Brandon University, Red River College, Université de Saint-Boniface, University College of the North, University of Manitoba and University of Winnipeg.

The information collected on this form is used by the Louis Riel Institute to confirm your eligibility for the Louis Riel Bursary and by the Manitoba Métis Federation to add you to their "Skills Database".

The intent of the database is to gather information on Métis citizens that are unemployed, employed but looking for new opportunities, currently in training or post-secondary school and/or will require assistance at some point with securing full time employment.

Using the applications we receive we may identify training, contact you for an employment opportunity, or ask if you would like to participate in a local training program.

Application Process:

There are two application forms - one from your Post-Secondary Institution and one from the LRI.

Complete the **General Bursary Application** form from your Post-Secondary Institution; return it to the institution by the due date.

Complete the **Louis Riel Bursary Application** form and return it to the LRI by the due date.

*****Please note: due dates are set by each Post-Secondary Institution and not the LRI*****
