

This award is named in honour of Mrs. Mary Guilbault. She was a respected Elder in the Métis community and a pivotal player in the creation of the Manitoba Metis Federation.

Mary was born on June 19, 1930 in Fisher River, Manitoba to Elijah and Priscilla Bowers. She grew up on the Fisher River First Nation where she spent much of her early childhood years on the land with her parents and grandparents, trapping, hunting and fishing.

In the Fall of 1943, the Indian Agent whisked her away to Residential School, first to Brandon for several years and then on to Birtle where she completed high school. Mary came to realize that education was of utter importance in order to compete with the larger society.

On June 23, 1950, soon after departing the Residential School system, Mary Bowers met and married Mr. Ernie Guilbault, who was born and raised in Fannystelle. They settled in Winnipeg and together had five daughters, all of whom have entered the work force well educated and employed in various professional fields, from education to social work. Mary passed away on June 13, 2013.

Mary's contributions to the community included participation in:

- The formation of the Manitoba Metis Federation in 1967 where she sat on the Board of Directors holding the Education Portfolio until 1974
- The housing study that resulted in the Lord Selkirk Park Housing Development
- An upgrading program that became nationally recognized and adopted by Canada Manpower
- Forming the Court Communicators Program with Judge J. Rice and Judge I. Dubiensi
- The establishment of the Prince of Wales / Princess Ann Bursary for Métis students
- The establishment of counseling and tutoring services for the faculties of Nursing, Education and Social Work at Brandon University and the University of Manitoba
- The establishment of satellite universities in northern Manitoba resulting in Assiniboine College (The Pas) and Keewatin College (Thompson)

Mrs. Guilbault provided guidance to a vast number of Aboriginal youth, men and women. In promoting the traditional and cultural values of the ancestors, she said "for me, the revitalization of my culture and traditional identity many years ago has assisted me with issues that have traumatized me in the past. Understanding the wisdom and spirituality of our ancestors brings many benefits into the everyday lives of our people."
