

How to Apply?

If you have a program or cause that you would like the B.E.A.A.R.S. to support, you can find a grant application on our Twitter and Facebook pages. As well as our page as a link to a copy of the application.

Once you have the application filled out, mail it to VCI or Email a PDF to email listed below.

Why Donate?

When you donate you help the fund become more sustainable for years to come. You help youth inspire other youth with projects revolving around them. You help the community prosper into the future generations. If you were to donate just \$500 today, then in just 15 short years your money will have renewed in value and have been put towards some great causes, allowing children to enjoy childhood even more- thanks to you! We are a young group within our school and are looking forward to becoming self-sustaining, that is why with any donation, no amount too big or small, we are looking for some people to help lift us off our feet and start something great for our youth.

Tax deduction receipts are available on any donation amount greater than \$10.
